UK Kidney Week  
10-12 June 2025  
Bournemouth, UK

# WELCOME AND THANK YOU FOR YOUR INTEREST IN **UK KIDNEY WEEK 2025**

In 2025, UK Kidney Week will be held at the Bournemouth International Centre (BIC), the events capital of the South Coast, right on the beach.

As usual, we are putting together a great three-day programme which will appeal to a huge range of delegates across the entire multi-professional team and are expecting over 1,400 attendees.

UK Kidney Week 2025 is an invaluable opportunity to meet and network with the whole UK kidney community.

**We're looking forward to you joining us for UK Kidney Week 2025 in Bournemouth!**

# OUR CONFERENCES

**UK Kidney Week 2024** took place in-person between 11-13 June in Edinburgh.

This was the third in-person UKKW event since 2019 and was hosted at the Edinburgh International Conference Centre with 1,495 attendees.

There were 16 sponsored symposia in the programme over the three-day period.

**223 speakers**

**432 posters**

**60 exhibitors**

**96 abstracts**

**64 renal units**

"What we learned at UKKW has allowed my consultant and I to put in place new procedures to support our patients."

"UKKW is my favourite kidney conference as it brings together all of the UK to discuss all the great things happening within the kidney community. It also provides a perfect opportunity to catch up and discuss future collaborations."

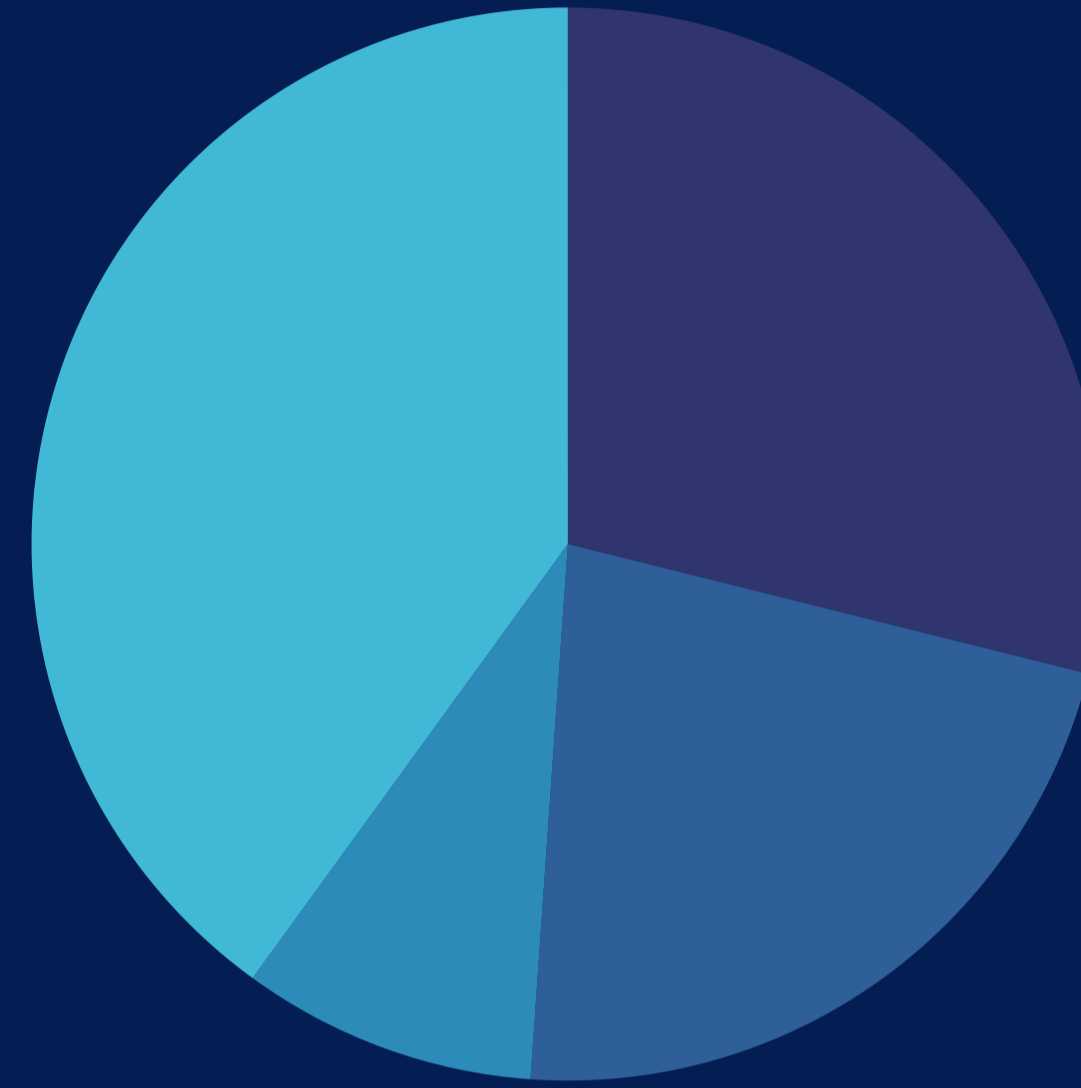

"We found equipment we will plan to upgrade to in our practice. We also found medication we may possibly trial in our unit."

# EXHIBITION

**Due to legislation increasing around patient organisations and the promotion of pharmaceutical companies to non-healthcare professionals, we are now required to have all patient charities in an area separate to pharmaceutical companies by law.**

To accommodate this without prejudice to our patient charities, we can now offer the two areas:

## **The main hall:**

- For industry and non-patient organisations
- Suitable for those regulated by the ABPI/PMCPA
- Behind closed doors

## **The foyer:**

- Directly in front of the main atrium/entrance hall
- Traffic from registration, traffic to main plenaries (Solent Hall)
- Separate catering area for patients
- Not suitable for those regulated by the ABPI/PMCPA

**Please see the plans below**
